

Report on Career Counseling Workshop

Date : 2 August 2016

Venue : School Auditorium

Conducted By : Blue Sky Consultancy Limited

Attended By : Class XI and XII

Organised By : ITL Public School

A Career Counselling session was conducted for the students of Classes XI and XII by Blue Sky Consultancy to dispel the doubts and qualms students had regarding foreign education.

Mr. Martin Boyce along with Ms. Preeti Pawar briefed the students about the University of Sydney Foundation Programme, which included courses in Australian University and Taylor College. The students were also made aware of the lucrative scholarships that they offered in IT courses.

Ms. Sadhna Lalla highlighted the importance of international exposure offered by Flinders University having around 24,000+ students and about the extravagant campus offered by the University.

Then Ms. Pritika Bansal briefed the students about the criterion required for admission in the Torrens University. After which Mr Daniel Spirovski highlighted the talked about the animation and audio courses offered in JMC Academy. He also highlighted the perks of theory and practice in the academy and the importance of its integration with the class course.

The seminar concluded with an interactive session of the students with the delegates.
