(8 August to 12 August 2016)

Date	:	August 8 to August 12, 2016
Venue	:	ITL Public School
Conducted By	:	Environmental Club, ANTHELIA
Attended By	:	Environmental Club Members
Organized By	:	ITL Public School

The Environmental Club - "Anthelia" of ITL Public School, Dwarka, New Delhi, organised various activities under Mega Cleanliness week from 8 to 12 August 2016 to spread the message of Swachh Bharat Abhiyan.

8 August 2016 - Day 1 of Mega Cleanliness Drive at ITL Public School, Dwarka, New Delhi the Students of Environmental Club- Anthelia were enthusiastically involved in Paper Recycling by using waste paper of the school and turning it into beautiful, multi-coloured hand-made sheets. "Zero Garbage concept" was introduced in the school by installing waste bins for Biodegradable and Non - Biodegradable waste.

An online digital Poster Making Competition was conducted for Senior students on the Topic "Swachhata Tann, Mann Aur Vicharo Ki"

The best entries were selected and awarded. Students from the whole school took up the issue of cleanliness to sensitize the people in their surroundings .

9 August 2016 - Day 2 The members of the Environmental Club of the school- "Anthelia" prepared Herbal Hand Sanitizer in the school premises using pure Aloe vera Gel Extract, Rose Water and some essential Herbal Oils . The school Principal, Ms. Sudha Acharya graced the event with her presence and also launched the product. The members of Environmental Council were also given a demo on the process of vermicomposting by a professional. They learnt about the types of waste- biodegradable and

non-biodegradable. They also felt the earthworms in their hands and together pledged to take care of them.

10 August 2016 – Day 3 An Ayurveda Herbal Garden christened as ‘**Sanjivani Vatika**’ was inaugurated in the school premises by the school Principal, Ms.Sudha Acharya. Students planted saplings of herbal plants such as Ajwain, Lemon grass, Aloe Vera , Tulsi ,Curry Leaves (Murraya Sp.), Jatropha, Hibiscus(China Rose) ,Kalanchoe, Pinnata, Bougainvillea, Alpinea, Neem etc.

11 August 2016 - Day 4 went for a Mega Cleanliness drive to the major market areas of Sector-6 & Sector-10, Dwarka. The students staged a small skit on the topic "Swachh Bharat, Swatantra Bharat" in order to sensitize the masses. Even students cleaned the dirty area using brooms, picked the garbage thrown and segregated it into bins to sensitize the surrounding people. This small effort was greatly appreciated by the crowd of people present there. This type of motivation must be continued to inculcate the values of hygiene and cleanliness in the citizens.

12 August 2016 - Day 5, A spectacular assembly was staged on the topic "Swachh Bharat, Swatantra Bharat" commemorating the 70th Independence Day. This was followed by announcing the cleanest class of each floor and then everyone took a pledge of cleanliness to keep the school, its surroundings and the whole country clean.

This was not the end of yet another week but the beginning of a revolution towards a cleaner, greener and better India.
