Students of ITL Public School, participated in a banner painting and Slogan Writing Competition, to commemorate the World Heritage Day, which is celebrated every year on 18th April 2016.

The competition was organized by ITIHAAS and like every year, we were looking forward for yet another way of paying tribute to our rich Tradition.

The students were to draw on the theme, ‘My Heritage and Me’, in the allotted time of two hours. They had assembled at Jantar Mantar which was the chosen venue for the event. We reached the venue at 9:15 a.m. and after a short briefing on this intelligently built observatory, the painting process began.

Our five students from Middle School(VI-VIII),were a curious, ambitious and sincere lot, who managed to put together finally a decent painting, which was given to Itihaas, to be further given to the Archaeological Survey of India.

It is hoped that the students remember not only *what* they participated in on this day, but also *why* they participated.
