“A concerted effort to preserve our heritage is a vital link to our cultural, educational, aesthetic, inspirational and economic legacies – all of the things that quite literally make us who we are.”

ITL Public School observed the World Heritage Day. To begin with the celebration an online heritage quiz was conducted by **The Heritage Club** of ITL Public School, under the aegis of the **Department of Social Science**. The occasion was graced by the respected Principal ma'am, ITL Public School, **Dr. Sudha Acharya**. **Ms. Manisha Seewal (Chief Marketing Officer of Carro)** was the guest of honour for the day. The quiz was attended by the teachers and students of class XII, who with great pleasure witnessed the vivacious question and answer round.

The session began with the emcee **Anisha Srivastava (XII F)** highlighting the importance of one's culture and traditions. From there the Ex- Vice Head Girl of the school, **Priya Ratti** took over as the quiz master. The participating teams who were named after the core principles of Lord Buddha's teachings demonstrated their knowledge and competence by answering the challenging questions that were put forth. The questions were quite diversified and were related to **Culture, Polity and Current Affairs**. There were a total of four rounds including a warm up round as well.

The quizmaster kept the dynamism of the quiz alive by intermittently sharing with the audience, amazing information and lesser known facts, about people, places things and ideas. The session was definitely enriching as it elevated the knowledge of all the people who were a part of the session.

ROUND SIX : AUDIO ROUND

This instrument forms the root of the ensemble and indeed of the music itself, as it creates an acoustic dynamic reference, chord from which the ragas (melodic modes) derive their distinctive character, color, and flavour. This instrument had "fully developed in its modern form", and was seen in the miniature paintings of the Mughals. It is suggested that due to structural similarity the sitar and this instrument share a related history. Listen to the audio and identify the instrument.
