**Conducted by:** Itihaas and Teacher Coordinator of Heritage club, I.T.L. Public School

**Organized by:** Itihaas

**Attended by:** Students and class teachers of class VI, I.T.L. Public School.

Reliving the heritage, the students of class VI visited QUTUB COMPLEX on 18 October 2014. An exceptional trip organized by the Itihaas club, whose attempt to bring classroom out of school was an incredible one. The students rejoiced with the tales of emperor Qutb-Ud-Din Aibek, Alauddin Khilji and Iltutmish. The task to construct the second largest minar in India was a collective effort by various emperors of the slave dynasty. Upholding the historical mysterious and exploring the unsaid beauty, the trip opened the doors to bygone days.

**“Relishing the beauty bestowed in me,  
They painted the red stones with calligraphy...  
Ranking the minaret with hands of thee,  
Iltutmish created a veiled history...”**
