Attended By : Students of Class 7
Class 12 (History Batch)
Students of Heritage Club

The Times of India had offered a wonderful platform to schools, whereby they gave an opportunity to take various educational institutions for Heritage Walk to places of Historical significance. ITL Public School decided to go to Humayun's tomb, which is also a UNESCO World Heritage Site. Students were given prior information about the visit. The tour guide from The Times of India imparted valuable information to the students, while she took them around the beautiful tomb. This was complimented by a short round of quiz, also organized by The Times of India group, thus leaving the atmosphere charged with enthusiasm and curiosity.
