

ITL CLASS XII HOSTS ASSEMBLY TO PAY TRIBUTE TO INDIAN HERITAGE

'India is the cradle and birthplace of human race, the mother of History, the grandmother of legends, the great grandmother of Traditions'.....Mark Twain

The students of **ITL Public School** takes immense pride in the exquisite and varied culture of the nation and believes that culture has mammoth power to influence the fabric of the society .The Special Assembly conducted by Class **XII on 13 April 2017** was aimed at showing profound reverence towards our country's culture .The main highlight of the assembly was **Ganga Avtaran ...** which portrayed the enriching journey of Ganga. It was a way of showing solidarity to the **Heritage Week DHAROHAR** celebrated in the School from **10 April to 13 April**. After the lighting of the lamp by the respected **School Principal, Ms Sudha Acharya** the spectators undertook a scintillating sojourn and felt the pulse of the nation along with **Ganga**. The poignant depiction moved all hearts...how the evil paws of pollution is sucking out the purity and sanctity of Ganga and leaving her at a miserable state. The students made an earnest plea to the sacred river....to raise her voice of protest and stand for her rights. Thus everyone was motivated to contribute their bit to save India's glory, Ganga, the lifeline of millions of Indians. The students also presented a musical extravaganza –**a medley of Bollywood Hindi Songs** to give a spirit of festivity to the event. The **ITL Principal Ms Sudha Acharya** in her enlightening speech empowered the students with myriad information about the pious river. Ma'am also motivated the students to develop some core values in their lives which will act as guiding light through all their actions. The students comprehended that as responsible citizens it is their solemn duty to contribute substantially for the society. The assembly left positive impact on the students and they were all geared up with zest and vigour.
