“One touch of nature makes the whole world kin.”

“On Earth Day, we celebrate all the gifts the world and nature make available to us. We recognize our complete dependence on its bounty. And we acknowledge the need for good citizenship to preserve its fruits for future generations.”

Earth day is celebrated every year on 22th April. The theme for this year is Earth's Remediation.

ITL always believe to encourage the students to be responsive reflective and collaborative thus preparing them as lifelong learners and ethical citizen within a democratic society a global community. Students of Class IV actively participated in the Assembly on the theme **EARTH DAY (Earth Remediation)**

Students staged a thought provoking skit emphasizing on wise use of various natural resources, they suggested various measures to conserve water, electricity, soil etc. in an innovative manner with props. They also sang a melodious song wherein they expressed that what a child can do for the Mother Nature. Honorable Principal Ms. Sudha Acharya interacted with students and shared her pearls of wisdom with them regarding judicious usage of various Natural Resources. It ended with the students taking a pledge to save mother earth.
