-B.R.Ambedkar

ITL Public School celebrated **68th Republic Day** with great zeal n enthusiasm. The commemoration commenced with the lighting of the lamp by the school principal, Ms. Sudha Acharya, while the chanting of the patriotic song ‘*VandeMataram*’ filled everybody’s heart with pride for their country. The glorious moment of unfurling of the National Flag accompanied with the National Anthem surged one and all with patriotic sentiments. As the plush green turf ground reverberated with the National fervor of the young ITLeens, the much awaited programme began with a lot of enthusiasm.

A spic and span **March Past** by the four houses, **Pragati, Prerna, Pratibha and Prayas** was the first performance of the day. Led by **Pragati House**, all the four squads marched around the ground with utmost co-ordination and synchronization, but it was **Pragati House** which stole their show with their flawless marching. Patriotic poem in Hindi “ *Aisa Hindustaan Banaye*” by a class X student and patriotic songs ‘*Sabse Uchi Vijay Pataka*’ & the Sanskrit version of ‘*Sare Jahan Se Achha*’ truly kindled a feeling of pride and belongingness in the young minds.

Nonetheless, the colourful drills with Hooplas and Pompoms by class VI students added to the vibrancy of the programme. A sublime **Yoga** performance by class III students enthralled the spectators leaving them spellbound

at their perfection.

The school principal, Ms. Sudha Acharya, felicitated the young achievers in the field of sports and addressed the gathering with her encouraging words. A bunch of tri-colour balloons was released by her and a group of students to end the programme. Hopefully just like the balloons soared high into the sky, our nation would soar high in all spheres of development.
