The day that celebrates the essence of a mother is **Mother's Day**. One of those occasions that none of us can afford to miss. **Mother's Day** is something everyone can relate to. People across regions, religions, castes, cultures, genders and financial status have emotions binding them to their mothers. There could not be a more universal celebration than this one.

Keeping this bonding emotion in mind, we at ITL Public School had a special celebration on **Mother's Day**. The assembly began with lighting of the lamp followed by beautiful thought about Mothers. A group song was sung in praise of Mother's efforts in bringing up her children. The students enacted a mime which showed the day to day household chores of a Mother. Scenes depicting how a mother takes care of her family keeping aside her own well being. Students enthusiastically danced on the melodious tune medley of songs based on mother. They were dressed up beautifully.

Students were dressed up as famous personalities and spoke how they are able to take care of their children along with their professional life. They came along with skaters holding the banners of the famous personalities and Indian Mother. The performance by the skaters also graced the occasion. The ramp walk by the invited guest Mothers on stage along with their children was like an icing on the cake. One of the mother who was speechless after seeing the assembly also spoke on behalf of others praising the efforts put in by the students and the teachers in bringing up such a wonderful show.

The assembly was concluded with vote of thanks followed by the National Anthem. The children put up a great show expressing their love for their mothers and by remembering their respective mothers, thanking them for their sacrifices and the love for their children.
