**CONDUCTED BY** : **STUDENTS OF CLASSES VI - XII**  
**ATTENDED BY** : **STUDENTS OF CLASSES 1 - XII**

*The sun does not shine there, nor do the moon and the stars, nor do lightning shine? All the lights of the world cannot be compared even to a ray of the inner light of the Self.*

The celebration of Diwali came alive at ITL Public School on 17 October 2017 when the students of Classes VI – XII conducted a special assembly on Diwali, “Ujale Ki Ore” to signify light, as the symbol of hope and positive energy. The assembly started with the blessings of God followed by a melodious performance of the song ‘Aao Diwali Manaaye hum’ which brought out the essence of the festival - celebration of life and goodness.

Niyati Sharma of Class XI F and Ria Singh of Class X sensitized the students about the ill-effects of crackers. They enlightened the students on the significance of the festival during the five days and the various steps to be taken to prepare a roadway by which we can make a healthy and environmentally balanced world by celebrating safe and eco friendly Diwali.

The assembly ended with a meaningful speech by the Vice Head Boy, Yashwardhan Pandey where he emphasized on the role of students who can take the responsibility to maintain and uphold a better and safe society and light the lamps to bring about the light of happiness, togetherness, spiritual enlightenment and prosperity for everyone.

*From darkness to the light that empowers us to commit ourselves to good deeds, that which brings us closer to divinity; lights illuminate every corner of India during Diwali and the scent of incense sticks hang in the air, mingled with the sounds of fire-crackers, joy, togetherness and hope.*
