

ASSEMBLY ON NATURE CONSERVATION

Date : 27 July 2018
Venue : MPH
Conducted by : Students of Class II
Attended by : Students of classes I and II

Conservation of natural resources for future generation is the need of the hour. In order to sensitize one and all, the students of class II of ITL Public School presented a skit in the Special Assembly on “World Conservation Day”.

The assembly began with a melodious song glorifying the enchanting beauty of Mother Earth. It was followed by a skit “A hope for Mother Earth’ where in students danced and depicted the beauty of natural gift given to us by great Almighty. The entry of man made pollutants show casted how the beauty of resources gets eradicated by the pollutants .Mother Earth’s speech reflected a need to Save Earth, with a pledge to conserve resources.

The skit ended with a mime- dance performance reflecting that Earth can be saved by conserving natural resources and following three R’s ... Reduce, Reuse, Recycle.
