“Christmas is the spirit of giving without a thought of getting.”

The spirit of Christmas is the spirit of love, generosity and of goodness. It illuminates the soul. Soaking in the spirit of Christmas, the students of ITL Public School celebrated the festival on 24th December, 2018 with extreme effervescence. The entire school was festooned with beautiful Christmas trees, wreaths, Santa faces and joysticks.

Christmas is the perfect time to celebrate the love of God and family and to create memories that will last forever. Jesus is God's perfect, indescribable gift. The amazing thing is that not only are we able to receive this gift, but we are able to share it with others on Christmas. Emblematizing the gift, the students of all the four houses presented the Nativity play in different parts. The events unfolded with the performances of the students depicting the birth of the savior, Jesus Christ and spreading the message of love and compassion that he stands for.

Christmas always seems incomplete without carols. The students presented an array of melodious carols to invoke the festive spirit.

The day ended with exhilaration amongst all the students and the teachers alike. Everyone got drowned in the happy festive vibes of the day taking along the message of bringing joy and happiness in someone's life. The school Principal Sudha Acharya praised the students for their commendable performance saying that their enthusiastic performance added a spirit of festivity and gaiety into ITL premises.
