“Every day is a blessing from God, consider it a new beginning.”

ITL Public School welcomed the students of classes I to IX to the session 2019- 20 by organizing the assembly on the theme “The Dawn of Learning”. The assembly began with Saraswati Vandana, invoking the goddess of learning to bless the students.

The teachers presented English and Hindi thought to motivate the students to work harder, towards achieving their goals. It was followed by news and a beautiful song “Swagatam Swagatam”. The song filled the students with vigour and a renewed hope to let go of past and move ahead with greater zeal.

The assembly ended with a vote of thanks, thanking principal mam for always guiding and inspiring students to strive for the best.
