ITL Public School conducted a special assembly on **23 April, 2019** to highlight the significance of **Sustainable Development Goals**. The Assembly aimed at honouring the **Earth Day** celebrated across the globe on **22 April, 2019** and pledging to preserve the resources of the Mother Earth.

The Guest Speaker for the event was **Mr. Puneet Duggal**, the **Headmaster of Alchon International School**.

After the lighting of the lamp and invoking the blessings of the Almighty the students gave substantial deliberation on the concept of **Sustainable Development** which is the organizing principle for meeting human development goals while sustaining the ability of natural systems to provide the natural resources and ecosystem services to the future generations upon which the economy and society depend.

The Guest Speaker in his enlightening address to the students sensitized them to the colossal wastage of food in lavish parties while on the other hand thousands of kids are dying due to poverty and hunger. He motivated the youth to introduce some technology/ app through which the food wastage can be mitigated.

The School Principal Ms. Sudha Acharya emphasized on the great role of youth in promoting **Sustainable Development Goals**. She stressed on the need to uphold the virtues of empathy, compassion, awareness and alertness to promote the Sustainable Goals.

The School choir presented a soulful melody underlining the merits of Sustainable Goals motivating students to strive enthusiastically and fulfil their dreams. A dance performance poignantly depicted how the world is suffering untold miseries due to depletion of resources thus reminding everyone to be conscientious and responsible future citizens.

The students pledged to make the Earth a cleaner, greener and better place to live.
