

## REPORT ON EARTH DAY

**Date** : 22 April, 2019  
**Theme** : Earth Day  
**Conducted by** : Classes II TO V

Nature is very important for the continuity of life on the Earth. Everything on the earth is the part of nature and connected to each other for healthy survival and continuity of life in future.

In order to instill sensitivity towards nature ITL Public School organised a special assembly celebrating 'Earth Day' on 22 April, 2019.

The assembly started with the message of the need to conserve nature followed by a song presentation on gratitude towards nature. The dance performance mesmerized everyone around and was well applauded by all. The students and teachers took a pledge to conserve nature.

Then various measures of saving Earth like conservation of energy, planting of trees etc. were discussed by the students. The assembly came to an end with the vote of thanks given by the students.
