***“Mothers hold their children’s hand for a while, but their heart forever.”***

Mother’s day is a special day dedicated to all mothers. It is celebrated every year on the second Sunday of May to honour a mother and her pure, selfless and nurturing motherhood.

With these emotions and spirit, the students of class III of ITL Public School conducted this Special Assembly based on the Retro theme. Mothers were invited to the event. The assembly started with singing a sweet song on the importance of a mother’s blessings. The event took a beautiful turn during the mesmerising dance performances and standing acts by some mothers. The program had an amazing song competition ‘Antaakshri’ planned for mothers in which, our esteemed guests- the mothers, participated with full zeal and enthusiasm. This was followed by a medley of dance in gratitude to whatever a mother does for her children.

The presence of our Principal Ma’am motivated all of us.
