ITL Public School conducted a Special Assembly on 31 July, 2019 to highlight the significance of **Sustainable Development Goals**. The aim of the assembly was to apprise the students about World Nature Conservation Day celebrated across the globe on 28 July, 2019 and pledging to preserve the resources of the Mother Earth. After the lighting of the lamp and invoking the blessings of the Almighty the students gave substantial deliberation on the concept of Sustainable Development which is the organizing principle for meeting human development goals while sustaining the ability of natural systems to provide the natural resources and ecosystem services to the future generations upon which the economy and society depend. The School Principal Ms. Sudha Acharya emphasized on the great role of youth in promoting Sustainable Development Goals. She stressed on the need to uphold the virtues of empathy, compassion, awareness and alertness to promote the Sustainable Goals. The special assembly began with a soulful melodious prayer “सुबह सवेरे लेकर तेरा नाम प्रभु” sung by the students. The students presented a song “Together We Can Change the World” underlining the merits of Sustainable Goals motivating students to strive enthusiastically and fulfil their dreams. A dance performance on the song “Thodi Hawa Ane De” poignantly depicted how the world is suffering untold

miseries due to depletion of resources thus reminding everyone to be conscientious and responsible future citizens. The students also presented a fashion show on “Mother Nature” depicting the before and after conditions of our natural resources in the current scenario. The students pledged to make the Earth a cleaner, greener and better place to live.
