“They inspire you, they entertain you, and you end up learning a ton even when you don’t know it”
-Nicholas Sparks, Dear John

The students of ITL Public School organized a **Special Assembly** on the occasion of Teachers Day. The theme for the assembly was **Guru Devo Namah**. The notion of the assembly was to pay a heartfelt reverence to their true teachers cum facilitators. In an age where everything is scrutinized through the scientific lens, this assembly provided the students with a new perspective of looking at their teachers as mentors. A short cultural programme was held to mark this special day for teachers. To begin with, the lighting of the lamp was done by the respected Principal Ma'am, Ms. Sudha Acharya. The students presented the thought for the day followed by the current news updates. All students and teachers together joined in for the pious Morning Prayer. The students presented a melodious kawwali in order to set the mood of the gathering followed by an enchanting dance performance. The teachers were presented appreciative sashes and they were involved in engaging games. The students appreciated the bond of the Teacher Student relationship they share at ITL. The occasion saw the young ITLeens express their love and gratitude towards teachers and also understand the sparkling role of teachers in shaping their life and career.
