ITL Public School conducted a special assembly on 6 December, 2019 to highlight the significance of festivals around the world. The assembly aimed at honouring the World Festivals celebrated across the globe in different parts of the country. After the lighting of the lamp and invoking the blessings of the Almighty, the students gave substantial deliberation on the importance of festivals and how it exemplifies our culture and zeal for celebration.

The School Principal, Ms. Sudha Acharya emphasized importance of festivals. She stressed on the need to uphold the virtues of empathy, compassion, love and belongingness that bring the people of different races and culture together. The students presented a song “Wish you a happy world festival” underlining that how festivals are an indispensable part of our lives.

The students of class I and II presented different festivals that are celebrated across the countries through fashion show, dance performances, songs and skit. Dance performances were also presented on the festivals that are celebrated in countries of Spain, China, Africa and Russia exhibiting the beauty and rich tradition of these countries.

Thus, the assembly showcased that festivals are an expressive way to celebrate the glorious heritage, culture and tradition of a country.
