

ITL PUBLIC SCHOOL OBSERVES VIRTUAL DIWALI

On 14 November 2020, on the occasion of Diwali, a splendid video was shared with the ITLeens.

To invoke the divine blessings, the event started with the stunning dance performances on Ganesh and Laxmi Vandana. After the performances, the students enumerated the reason to celebrate the auspicious day on which Lord Rama came back to Ayodhya after an exile of fourteen years.

Dressed up in traditional attires, the students narrated the lesser known stories related to the day, such as the story of Dhanteras, Incarnation of Goddess Laxmi, the story of Nachiketa and Yama. Lastly, a short message was shared by the Vice Head Girl....

"Not burning crackers cannot burn your happiness"

The event concluded by an oath to not burn crackers in order to curb pollution and also to spread happiness among the lesser privileged ones.
