- Conducted by – Class IV
- Attended by – Students of Class III to V

***“WE DO NOT INHERIT THE EARTH FROM OUR ANCESTORS WE BORROW IT FROM OUR CHILDREN”***

A special assembly was conducted by the students of class IV at ITL Public School, Dwarka on the occasion of Earth Day. The students welcomed the Principal and Headmistress Ma'am. They also presented the Earth Day badges to all the teachers. The skating rink was colourfully decorated. The assembly commenced with the prayer. The students spoke on “The significance of Earth Day.” This was followed by the dance on five elements of nature. They also presented a skit on environment conservation which depicted the ill effects of pollution on living things and the measures to be taken to preserve the nature. A melodious song emphasizing on growing more and more trees was presented by the students. At last the skaters rolled on the wheel spreading the message of “Saving Earth and Environment.”
