The new session of ITL Public School commenced on 1 April 2016 with the lighting of the lamp by the Principal, Ms. Sudha Acharya and offering prayers to the Almighty. Teachers extended their greetings to the students on the beginning of their new session with a mellifluous song with a message that they shine like sun and spread the light of hope in the world.

The thought shared by the teachers motivated the students to participate actively in school life, inculcate values, responsibility, care, consideration for others and have a school and team spirit. The Principal with her words of wisdom motivated the students to work hard to accomplish their goals in life by giving examples of great achievers like Amitabh Bachchan, Steve Jobs etc who achieved success after number of failures. She stressed on the point that success is never ending and failure is never final.

Students were indeed rejuvenated and enthused to see the affection of the teachers towards them. It was surely a significant and meaningful assembly.
