“The miracle of gratitude is that it shifts your perception to such an extent that it changes the world you see.”- **Dr. Robert Holden**

Our school celebrated the Gratitude Day to honour the conservancy staff. The day was observed under the patronage of the school principal, Mrs. Sudha Acharya and aimed at sensitizing the students towards the dignity of labour and to overcome various socio-economic barriers confronting us. The event was celebrated to realise the significance of support staff. Our didis and bhaiyas help us in myriad ways that often go unnoticed. Gratitude day acknowledges their help and their important role.

The ceremony commenced with a short cultural program to add a spirit of fun and frolic to the event. The support staff keenly participated in an entertaining interaction. Students of all classes contributed in making presents for our beloved staff which was given to them during this ceremony. Towards the end, they were served with light refreshments.

The event ended with our deputy headmistress ma'am, Ms Meena Ramnesh speaking out few beautiful snippets which brought tears in the eyes of our support staff. The event was concluded with an optimistic note that gratitude is the mother of all virtues and the pleasure of giving was indeed more than the pleasure of receiving.
