

CHRISTMAS CELEBRATIONS WITH THE UNDERPRIVILEGED

DATE: 22 December 2017

VENUE: Primary school from underprivileged section of society and
Holy Family Orphanage, Dwarka

Organized by: Social Service Club, ITL Public School

Attended By : Student Representatives from V-XI

The students of the Department of Psychology ITL Public School along with class representatives of class Vth, VIIth, and IXth visited a Government run Primary School in Dwarka to celebrate Christmas. As a part of the visit and to spread the Christmas spirit they conducted a short assembly with the students that comprised of music, quizzes and dances. The students at the school truly enjoyed these performances and participated enthusiastically. In addition to this, ITLeens gifted each student a goody bag comprising of chips, cakes and juices along with books and pencil boxes. They also donated over four hundred books to the school library and winter clothes for the students.

Following this, the students visited the **Holy Family Orphanage** where they had a vivacious discussion with the sisters about the working of the orphanage and the various challenges they face. The students keenly interacted with the children at the orphanage and sang Christmas carols with them. The school also donated clothes collected over a span of one week, to the children in the spirit of Christmas.

The visits were an extremely educative and learning experience for all students who inhibited the true purpose of Christmas by spreading joy and engaging in charity.
