

GANIT WEEK

EVENT	:	GANIT WEEK
DATE	:	16th DEC'14 – 22nd DEC'14
VENUE	:	MATHS LABS
ORGANISED BY	:	MATHS DEPARTMENT
ATTENDED BY	:	STUDENTS OF CLASSES IV-VIII

ITL Public School celebrated Ganit Week with great zest and enthusiasm from 16th December 2014 to 22nd December 2014. Ganit stands for growing aptitude in numerical innovative training. The Ganit week aimed at chiseling the mathematical ability of the students through novel ways of innovative numerical training. On the inaugural day, that is, 16th December 2014, Mr. Pankaj Vajpayee, the Director of Achievers Academy enlightened the students about the myriad applications of Maths. On 17th December 2014, an Essay Writing Competition was held where in the students wrote essays on the topic “How teaching of mathematics leads to inculcation of values”. A Quiz competition was held on 18th December 2014 which comprised of visual round, rapid fire round and got an exciting and enthusiastic response from the students. A movie produced by Vigyan Prasar was shown to students of class VI to imbibe in the students the knack for Numbers. On 19th December the students of class V participated in a Poster Making Competition to show their love for the subject and class IV students enjoyed the activity “Fun with Shapes”. 22nd December 2014 saw the culmination of the grand event. Prizes were given to the note worthy participants from the Essay Writing, Quiz and Poster Making Competition.
