

Report on SCRAP FILE MAKING 'A MELANGE OF FESTIVITIES'

DATE : 17th April, 2018
 VENUE : ITL PUBLIC SCHOOL
 ORGANISED BY : ITL PUBLIC SCHOOL
 CONDUCTED BY : Classes II

As the name suggests, the event "A Melange of festivities" can be inferred as a 'collage of festivals'. This step was undertaken as an ISA activity in collaboration with The British Council of India, meticulously organized by ITL Public School, Dwarka. This was planned to provide a wider outlook about the festivities and cultural background of Egypt. Scrap File activity was conducted on 17th April, 2018 at ITL Public School. Students were apprised to collect **pictures** which exhibited the differences as well as similarities of the festivals celebrated in India and Egypt.

A Melange of festivities has been implemented with a sustained concentration towards instilling the international spirit amongst the young students of ITL Public School. Major focus has been laid on the value –oriented experiential learning.

- To fulfil the focal purpose, a "SCRAP FILE" activity was designed for class II students wherein each student created a scrap book using their creativity.
- All the students researched about various festivals like Ramadan, Eid al –Fitr. They collected many pictures and information about the origin, lifestyles, cuisine and architecture.
- The students explored the information; selected the required information and created a picture scrap file. Children comprehended about the historical significance of pyramids, mummies and Egyptian Gods and all the information was documented all the information in the scrap file.
- The students were able to learn in a fun way about the lifestyle, culture, food and habits of Egypt and completed the scrap file activity while learning team work and creative skills.

ISA activities helped in converting each student's innate talents and inquisitive minds into positive expressions.

The Melange of festivities has definitely ameliorated the global acceptance and recognition in the students at a very young age which will prepare them for a better future and international dimensions of learning.
