# RHYME TIME

## WATER

July

### वर्षा रानी

चमचम चमचम बिजली चमके,  
रिमझिम रिमझिम बादल बरसे ।  
गरज गरज कर करते शोर,  
छाई काली घटा घनघोर ।  
प्यारी बरती की प्यास बुझाने,  
आई वर्षा हमें भिगाने ।  
मैं तो हूँ इसकी दीवानी,  
सबसे प्यारी वर्षा रानी ।

### RAINDROPS

Raindrops, Raindrops,  
Falling all around,  
Pitter-patter on the rooftops,  
Pitter-patter on the ground.

Here is my umbrella,  
It will keep me dry  
When I go in the rain,  
I hold it up so high.

Pitter-patter raindrops,  
Falling from the sky  
Here is my umbrella  
to keep me safe and dry.

When the rain is over,  
And the sun is over  
Little buds start to flower  
To blossom, grow and grow

### WATER

Water is precious!  
Water is cool!  
I drink it when I am thirsty,  
At home and at school!  
Water is wet!  
Water is fun!  
I play in the little water pool,  
under the sun!

### WATER IS LIFE

Water is a boon.  
Water is life.  
Without any water  
Nothing will survive.  
We need water and earth needs too.  
Don't waste it,  
We can't make mistake.  
We must save water for  
everyone's sake.

### SAVE WATER

Water, water all around,  
save every drop that can be found.  
Wasting water is not good,  
so you never never should.  
Never let your tap run,  
turn them off as soon as you're done.  
You must realize water is good,  
to save everyone as now we should.
