

Sadhu Vaswani International School for Girls, New Delhi
Pre Primary Section

Proudly presents

Happy Grand Parents Day

*Our Grandparents are the greatest people in the world,
Near or far wherever you are, you are always our shining stars.*

A smiling face

A warm embrace

*Two arms that hold us so tight
And wish good dreams to us at night*

*Our Grandparents are the greatest people in the world,
Near or far wherever you are, you are always our shining stars.
Grandparents are magicians who always create wonderful memories
for their Grandchildren. As a token of gratitude, our little ones will
take their most treasured grandparents on a mythological retreat of
time-honoured epic Ramayana.*

*Calling out to everyone's Nana- Nani and Dada-Dadi, Come join us as
we celebrate YOU!*

*we thank you for the
time you spend with us,
which fills us up with happiness,
A heart so full of love and care,*

We thank the world that you are in there

*Our Grandparents are the greatest people in the world,
Near or far wherever you are, you are always our shining stars*

A smiling face

A warm embrace

*Two arms that hold us so tight
And wish good dreams to us at night*

Ms Santosh Vyas

Message from the Principal

“Grandparents bring a little more wisdom, happiness, warmth and love to every life they touch.”

What children need is worth its weight in gold but can be provided by Grandparents in abundance. Unconditional love, patience, joy and comfort are some of the priceless emotions that draw children to their dearest Grandparents. The invisible legacy left behind by them engraves a monument of understanding, integrity, courage and unconditional love inside the little minds and hearts. During the pandemic, we have been moved to appreciate the role of Grandparents in families more than ever, who have risen to the occasion and showered their unconditional love and affection on the young ones. The worth of the emotional support they provide is undeniable; the social benefits of the time they spend with their grandkids, irrefutable.

To honour the keepers of a loving legacy, the greatest story tellers, treasurers of wisdom and the custodians of age-old traditions and to help children accept the paramount status that the Grandparents must be given, at SVISG, our young angels have digitally recreated the time honoured classic, Ramayana, and gift wrapped it with warmth and love abound for their loveliest Grandmas and Grandpas. Each epic has its own saga to recount. The grandeur of the classic Ramayana is not complete without reprising Lord Rama's triumphant return to his kingdom. With our pure intention, light overpowers darkness and we are filled with joy and hope. The dazzling festival of Diwali marks the victory of virtue over vile and honours the reinstatement of the rightful heir. You have always been an integral part of the heart and soul of SVISG; therefore, we look forward to your blissful presence that will encourage our young performers manifold.
