PRIMARY SCHOOL

ANNUAL DAY CELEBRATIONS

Azadi Ka Amrit Mahotsav

MESSAGE FROM THE PRINCIPAL

Hon'ble Prime Minister of India has often shared his vision of building a new, Aatmanirbhar Bharat by the year 2022. A resurgent, Aatmanirbhar Bharat can be envisioned when the best of tradition is merged with the most modern, global outlook.

Santosh Vyas

At SVISG, we are of the firm opinion and belief that freedom shouldn't be taken for granted; the struggle must be remembered and celebrated every moment if we are to conduce to the emergence of the India of tomorrow, the India of our dreams.

Acting upon the clarion call, the stars of our schools have staged the spectacle of Indian Independence- the struggle, the ideas, the achievements, the actions and the resolutions of the glorious 75 years. The journey they have embarked upon is one of restoring India's forgotten pride to its rightful throne. The second virtual Annual Day is an attempt to unify pedagogy and the quintessence of education, so that our learners are nurtured to imbue a sense of pride in their culture and heritage. I wish to thank the parent community for your valuable assistance and encouragement which elevates our ambition.

Dr. A.P.J. Abdul Kalam, fondly referred to as 'the missile man of India' once said, "Without your involvement, you can't succeed; with your involvement, you can't fail." On behalf of our school, let me express my gratitude to all our stars for making us proud with your hard work. We cherish your performance and achievements.

Hope you have a great experience!
