

GANIT WEEK REPORT

Srinivasa Ramanujan, a renowned mathematician from India was born on December 22, 1887. He was a prodigy who has made immense contributions in the field of Mathematics. To commemorate his birth anniversary, we at SVISG celebrated Ganit Week from 16 Dec 2022 to 22 Dec 2022.

The celebration of Ganit Week started with the introductory PPT on famous Indian Mathematician Srinivasa Ramanujan in the Senior School assembly.

The presentation highlighted the life and contributions of Ramanujan in the historical evolution of Maths.

Inter-House Maths Quiz

An Inter-House Maths Quiz was conducted for the students of grades VI to VIII on 16th December 2022 .Three students from each House (VI-VIII) participated to test their knowledge about everyday application of Basic Mathematical concepts Reasoning problems, logical reasoning and history of Mathematics.

Inter-House Mathematical Jingle Competition

Students of classes III - V presented mathematical jingles on 16th December 2022 as a part of Ganit Week Activity. Numbers, Arithmetic Operations and Shapes were

included in the Jingles presented by the houses. Impressive Props were added attraction to the rhythmic tunes of the Jingles sung by the students.

Move & Solve by Class II

Move & Solve- an outdoor activity was conducted on 19th December 2022 for Class II in the school's quadrangle. Mental Maths questions were solved by students in a joyful manner. This form of play way learning was enjoyed by the students.

Tangled Numbers

Tangled Numbers – a class room Activity was conducted in Classes III-V on 20th December 2022 as per the schedule. All the students participated enthusiastically and were able to solve the riddles to untangle the numbers.

Hidden Numbers

Children in Pre-School identified and coloured the hidden numbers whereas the children in Pre-Primary tried to draw various objects using different numbers. This activity was conducted on 21st December 2022 and enhanced their creative, aesthetic, cognitive and fine- motor skills.

Snakes & Ladders by Class I

The Activity was performed by Class I students on 21st December 2022 with great enthusiasm. They all solved one digit Addition sums through Snakes and Ladder game in pairs. They enjoyed the activity thoroughly.

Skill-O-Fun With Numbers

This activity was conducted on 22nd December 2022 by the students of Pre School and Pre Primary where they enjoyed doing Value counting through various play way methods. These activities enhanced their creative, aesthetic, cognitive and fine-motor skills while strengthening their number sense.

All the Ganit Week Activities were well conducted and enjoyed by the students of all the classes. Maths became fun when done beyond the classroom setup.

The formal Culmination of the Ganit Week was done by the honourable Principal Mrs. Santosh Vyas by appreciating the enthusiasm seen in the students in participating in various activities and the sincere efforts by the Maths Department in planning and implementing of the activities during the Ganit Week.
