LIGHT A DIYA NOT CRACKERS

HAPPY DIWALI WITH
SWEET PLATTERS.

We should celebrate green and safe 'DIWALI'! We should not burst crackers because it causes air and noise pollution. 'CRACKERS' are harmful for our health and animals!

SAY NO TO CRACKERS!

SWASTIK

A handcrafted Diwali-themed card. The background is a textured orange paper. At the top, there are colorful triangular bunting flags in blue, yellow, and green, some with black dots. A horizontal strip of blue and silver sequins is at the very top. Below the flags, several small, round, colorful buttons (blue, green, yellow, purple) are scattered. In the center is a yellow diamond-shaped flower with red outlines. Below the flower are two large, dark blue, textured petals. A large blue banner at the bottom contains the text "Happy Diwali" in a black, handwritten-style font. The banner is decorated with a vertical line of four blue and silver sequins. The entire card is framed by a red and black checkered border.
