

ITL CANDYFLOSS

World Heritage Day Report

Session 2022-23

Day/Date: Monday, 18th April 2022

World Heritage day is commemorated on 18th April, annually. The purpose of this day is to generate awareness for preserving the cultural and natural heritage around the globe. The little champs of ITL CANDYFLOSS were enlightened about the true meaning of heritage, its importance and the need of its preservation through a pep talk by teachers. Keeping the theme in mind, a beautiful video "AROUND THE WORLD" (Virtual tour of seven wonders) was showcased to draw the attention of the children, which they enjoyed thoroughly. The celebration fulfilled its objectives where children understood and acquired a sense of preserving our heritage.
