### **International Mother Earth Day Report**

**Session 2022-23**

**Day/Date: Friday, 22<sup>nd</sup> April 2022**

#### **INTERNATIONAL MOTHER EARTH DAY**

International Mother Earth day is celebrated on April 22 every year to inculcate in our children the values of saving the natural resources and environment. Representing the theme of 2022 “INVEST OUR PLANET”, ITL CANDYFLOSS conducted "Nurturing Nature Week" from 18th April,22 to 22nd April,22, each day with a purpose to save a part of our mother earth.

#### **Day- 1 TO PROTECT OUR FEATHERED FRIENDS**

Little ITLeens came together with great excitement to save the birds and pledged to keep them healthy by making a bird feeder for them.

#### **Day 2 "Do what's right, turn off the light" - Save electricity**

Electricity is the biggest invention of science. In order to save electricity & natural resources, students with great enthusiasm did Cotton Dabbing Activity on a poster to inspire everyone to Save Electricity.

#### **Day-3 Life without water is impossible. Save water. Save life**

Giving a message that water is precious, so lets save it. Little saviors of earth determined to save it from getting

waste and creatively motivated through a poster on "Rainwater Harvesting".

Day- 4 The soil is the great connector of our lives so, Save soil.

The purpose to celebrate this day was to give ITLeens gain understanding of soil, its importance and uses for our existence through an experiential learning on "Sowing a Sapling".

Students participated enthusiastically in all the activities and were encouraged to make each day fruitful to at its best.
