Day/Date-3rd July-7th July

Class-Pre School/Pre-Primary

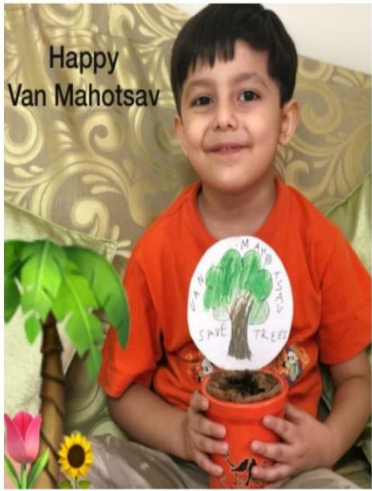

*"Trees are the kindest things we grow" *

Van Mahotsav a week-long festival of tree plantation was organised by ITL Candyfloss from 3rd July to 7th July and came out to be a great success. The celebration started with activities like Rhymes on trees, Slogans, Poster making activity and Plant a Sapling. The activities helped to bring awareness about the green cover around us. It also helped in strengthening the bond between plants & humans. Students got to learn a lot and we hope that they will always cherish the memories of this important occasion.

Thankyou teachers for even thinking to do 'Van Mahotsav' celebration in online classes. It's good that teachers are not just focusing on basic alphabet & numbers drill. But doing a lot more for kid's learning. And these videos are quite special for parents and children alike
