TEACHER'S DAY REPORT

Session 2022-23

Day/Date: Friday, 2<sup>nd</sup> September 2022

Teachers encourage minds to think, hands to create and hearts to love.

A Teacher is the eternal guru and guide whose firmness, love and grooming has shaped generations from times immemorial. She inspires hope, ignites imagination and instills love for learning.

And to honor their hard work and determination towards the profession, our little ITLeens celebrated Teachers' Day on Friday, 2nd September 2022, with great enthusiasm and enjoyment.

The program was led first by a choir performance by the children to pay tribute to their teachers and then with a peek into Dr. Sarvepalli Radhakrishnan's life, philosophy & by conveying his message to mark his birthday as teachers' day. Our little ones with all their zeal performed Dance and recited Shlokas on 'Guru'. They showered their love, respect, acknowledgement and gratitude to make the day captivating.
