

ITL CANDYFLOSS SCHOOL

SECTOR-9, DWARKA
SKILL INDIA WEEK

Day/Date -20th July 2020, Monday

Skill India or the National Skills Development Mission of India is a campaign launched by our Prime Minister Narendra Modi. It was set up as a part of a national skill development mission to fulfill the growing need in India for skilled manpower across sectors and narrow the existing gap between the demand and supply of skills.

To imbibe such skills in our little ones, ITL Candyfloss had taken an initiative of celebrating **Skill India Week** through virtual platform wherein parents also participated with great fervour.

DAY 1: - Clay Art

Being creative is not a hobby. It's a way of life. With the guidance of teachers and parents, our little tiny tots showcased their colourful imaginary designs on old mugs on the first day of the week.

Day/Date -21st July 2020, Tuesday

DAY 2: - Paint your own abstract canvas

Paintings help children to communicate their emotions or feelings. Through the use of different colours, our little young minds expressed themselves without the use of words. Many of them made their first ever Canvas painting.

Day/Date -22nd July 2020, Wednesday

DAY 3: - Balloon Cement Planter Making

We grow plants for many reasons like to please our soul, to make environment more livable and to maintain our physical and mental wellness. But mostly for the joy in seeing them grow. But where? To give an answer to this question, students of ITL CANDYFLOSS did a remarkable job by making Cement Balloon Planters under the guidance of their teachers and parents.

Day/Date -23rd July 2020, Thursday

DAY 4: - Basket making with matchsticks

Crafting things from unconventional material is one of children's very favourite things to do. In today's session, students made beautiful cute little baskets by using matchsticks.

Day/Date -24th July 2020, Friday

DAY 5: - Jute Coaster making

Our task, regarding creativity is to help Children climb their own mountains, as high as possible. So to accomplish this motto, our students have done one more commendable activity i.e. Jute Coaster Making.
