

ITL CANDYFLOSS SCHOOL
SECTOR-9, DWARKA
Celebrated Photography Day

Day/Date- 19th August, 2020
Class- Pre School /Pre Primary

"Capturing Moments, Making Memories", yes that's what photographs do.

World Photography Day was celebrated on 19th August wherein the children were made aware that photograph builds memories which we cherish lifetime. Our kindergarten enthusiasts made a "Handmade Camera" with the help of their teacher and parent. They captured life through their lens. It was followed by a "Photo Scavenger Hunt" played at home to stimulate Sensory Motor Skills of students.

Our little superheroes left everyone mesmerized through the "Fancy Dress Activity" when they articulated their favorite "Comic Character" with overwhelming performances.
