

ITL CANDYFLOSS SCHOOL
SECTOR-9, DWARKA
 Celebrated National Sports Day

Day/Date- 28th August, 2020
 Class- Pre School /Pre Primary

National Sports Day is celebrated on 29th August, to commemorate the birth anniversary of Sir Major Dhyhan Chand Singh, a Hockey Legend & Gold Medalist in Olympics. Sports not only teaches kids Life Skills, it also enhances and strengthens Visual & Motor Coordination Skills. Keeping in mind the Pandemic situation, yet to lay a strong foundation on being unstoppable and the importance of playing sports, ITL Candyfloss celebrated National Sports Day with various outdoor & indoor sports for their young Sportsmen, with a hand-in-hand coordination of teachers & parents - all sports being held at the comforts of the students' homes. From the start till the end of the Virtual session, Zeal's of enthusiasm & excitement were witnessed at every house of the ITL Candyfloss Family.

Balloon Tennis

With high concentration students played this game. A plate attached with a spoon & a balloon representing the Tennis racket & ball were used for playing. A high satisfaction was visible on the faces of all students as they concentrated along with juggling the balloon on the path of the finishing line.

Kick the Cup

High energy & strength was seen among students as they kicked the ball, to score a maximum number of falls of the paper cups, in one go itself. The air was filled with excitement and loud hoots of encouragement from parents, as their children tried to increase their score, with each kick.

Balancing Cups

One of the most fun & frolic game to teach coordination to any age. Our students here made “a Pyramid” using paper cups. During this game, complete concentration was witnessed by both the teacher and the parent, from the students end till the pyramid was formed. Unlike all other games, this one showed an aura of stillness and silence in the atmosphere.

Hockey

The session ended with more cheering & laughter combined with excitement from one and all as the students tried to manoeuvre & drive a ball to score a goal at the opposite end, with a newspaper hockey stick and a towel-made goal post. It was an awestruck sight viewing our kindergarteners playing our National Sport, a reminder of the great Sportsman, on whose honour “The National Sports Day” is celebrated throughout **India**.
