A good teacher can inspire hope, ignite imagination & instill love for learning. It is the supreme art of the teachers to awaken joy in creative expression & knowledge.

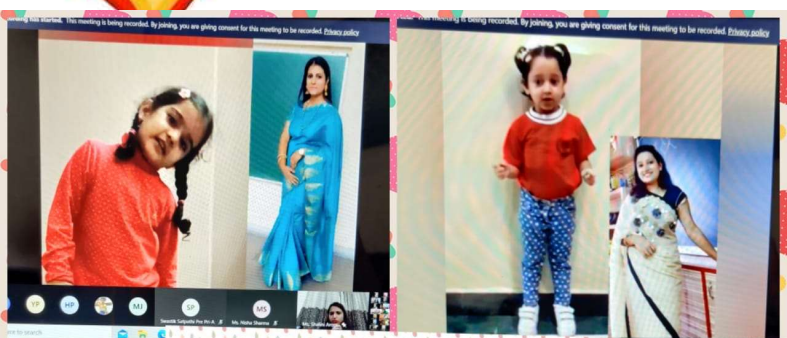

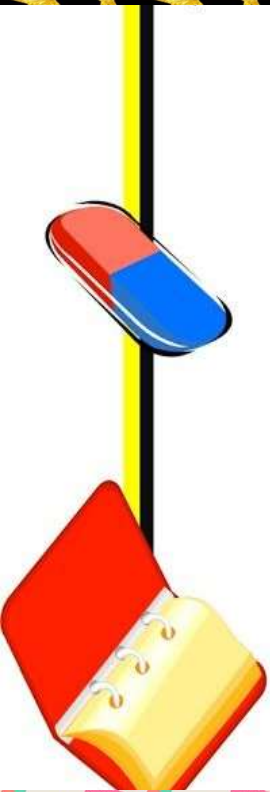

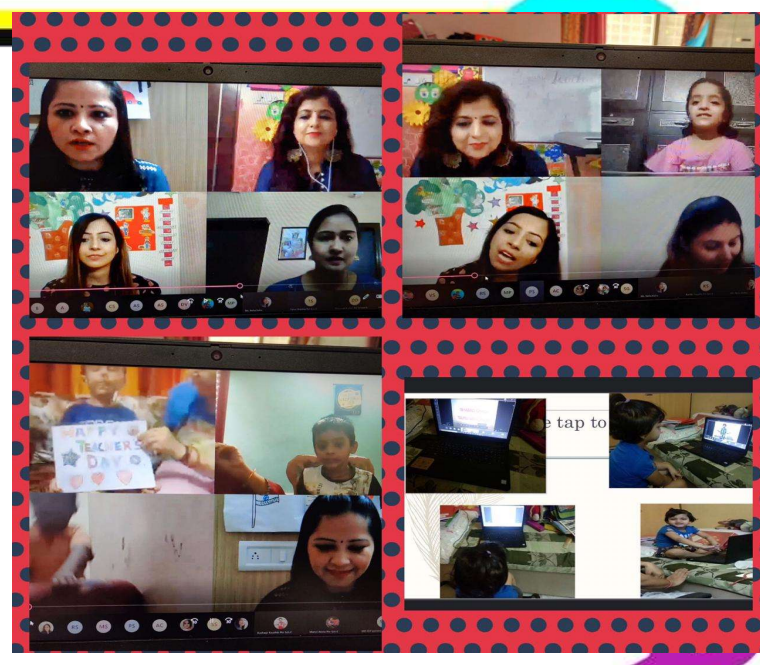

ITL Candyfloss solemnly celebrated Teacher's day with great gusto and gaiety on 4th September 2020. A special assembly was conducted by the school virtually on this day. The show started with children singing 'Shabad -'Guru Meri Puja' to show their love, respect, acknowledgement and recognition of the hard work put in by their 'Gurus' towards their development. The show incorporated with rhymes, songs and acrostics on Teachers, wherein the students beautifully signified the importance of each letter in the word. Students dressed up as Dr. Sarvepalli Radhakrishnan - The Great Educationist & Philosopher, expressed inspirational thoughts for the young minds. The teachers were delighted to hear their students expressing their love for them through their kind & warm wishes. The programme came to an end with kids dancing for their Second mothers creating memories to cherish forever which marked the celebration.
