Celebrated Global Handwashing Day

Day/Date- 15th October, 2020
Class- Pre School /Pre Primary

"Hygiene is two thirds of Health".

Global Handwashing Day is an International Handwashing Campaign to motivate and mobilize people around the world to improve their handwashing habits. Washing hands at this critical phase of pandemic has become even more important. Global Handwashing Day occurs on 15th October each year to raise the awareness of benefits of Handwashing.

To apprise this to our little ones ,ITL Candyfloss celebrated Global Handwashing Day on 15th October 2020. Children were captivated in various activities. They were briefed with the purpose of handwashing through a pep talk and animated story.A demo of washing hands and making hand sanitizer was given by the facilitators to imbibe the habit of washing hands amongst the little ones. They were also guided to undertake hand printing with the motive of instilling the steps of handwashing. Children recited rhymes and slogans with full zeal.
