

ITL CANDYFLOSS SCHOOL SECTOR-9, DWARKA Celebrated Human Rights Day

Day/Date- 10th December, 2020
Class- Pre School /Pre Primary

Human Rights Day is observed every year on 10th December — the day the United Nations General Assembly adopted, in 1948, the Universal Declaration of Human Rights (UDHR).

This year's Human Rights Day theme relates to the COVID-19 pandemic and focuses on the need to build back better by ensuring Human Rights are central to recovery efforts.

To create the awareness about Sustainable Development Goals amongst kids, ITL Candyfloss organised few Fun & Educative activities wherein the children spoke about different sustainable development goals by showing posters. The children were full of zeal and enthusiasm knowing and talking about Human rights. Unsustainable, wasteful growth patterns increases environmental degradation and accelerate climate change, generating effects that harm health, access to water and sanitation, food, housing and land rights, and endanger life.

An Intra Class quiz along with mask making activity was also organised. The feel of competition was very much obscured in the Quiz. The kids were educated about the sustainable goals through story narration. The day ended with the flower making activity depicting all the sustainable goals.
