

**ITL CANDYFLOSS SCHOOL
SECTOR-9, DWARKA
Celebrated National Mathematics Day**

**Day/Date- 22nd December, 2020
Class- Pre School /Pre Primary**

"An equation for me has no meaning, unless it expresses a thought of God."

December 22, the birth anniversary of India's famed mathematician Srinivasa Ramanujan, is celebrated as National Mathematics Day. The day is recognized to commemorate his greatness and contributions in the field of mathematics.

ITL Candyfloss celebrated this day by doing various fun-filled number activities like My Number House, My Number Tree, Cup Cake Activity, Skip Counting of 10's, Number Names Puzzle, Comparison of Numbers using Kidney beans, Icecream Number Matching Activity and Fun with Greater Number and Addition to honour the great mathematician Srinivasa Ramanujan. Children were enthralled to perform such engaging activities by using their application skills. Through these activities, they got to know that Mathematics is also a subject like Hindi and English and learning mathematics is no less than a fun.
