CELEBRATED WORLD CANCER DAY

Day/Date: 4th February, 2021
Class: Pre School/ Pre Primary

World Cancer Day aims to save millions of preventable deaths each year by raising awareness across the world to take action against the disease.

Theme of World Cancer Day 2021 is: “I Am And I Will”. To apprise of this theme, little ITLeens created beautiful badges and teachers made them recognise that our commitment to act will lead to powerful progress in reducing the global impact of cancer.

Our actions - big and small -will make lasting, positive change. Because, progress is possible and together, all our actions matter
