CELEBRATED SAFER INTERNET DAY

Day/Date: 9th February, 2021
Class: Pre School/ Pre Primary

Safer Internet Day 2021 campaign is organised on 9 February each year, to promote the safe and positive use of digital technology, especially among children and young people. Celebrations may look a little different this time around as we adapt to COVID-19 constraints, we hope that SID 2021 will still be a vibrant and engaging celebration, allowing us all to reflect on our increased use of technology as a result of the pandemic. Our little Itleens also aimed at using safe digital technology by making placards, reflecting upon smart tips of using internet and speaking slogan of “Together for a better internet” to join the movement, to participate, and to make the most of the internet’s potential to bring people together.
