CELEBRATED NATIONAL DEWORMING DAY

Day/Date: 10th February, 2021
Class: Pre School/ Pre Primary

"A step towards building a healthy nation"

National Deworming Day is a day dedicated to deworm all the school-going children of the country to give them a healthy digestive system. It is a government mission held on 10th of February aimed to reduce the cases of worm infection among kids all over India through the platform of schools and Anganwadi Centers in order to improve their overall health, nutritional status, access to education and quality of life. ITL Candyfloss celebrated this day by doing free hand drawing and creating awareness about the importance of healthy food.
