CELEBRATED VALENTINE'S DAY

Day/Date: 14<sup>th</sup> February, 2021  
Class: Pre School/ Pre Primary

Valentine's Day is a time when people show feelings of love, affection and friendship. It is celebrated in many ways worldwide and falls on February 14 each year. People celebrate this day by showing appreciation and gifting greeting cards, chocolates or flowers to the people they love or adore.

Our little ITLeens also exhibited their love for their loved ones by dressing up in red and preparing delicious Valentine Delights to make them feel special.
