Day/Date: Wednesday/ 07.07.2021

Class: Pre School/Pre Primary

एक पहल धरती, प्रकृति, पर्यावरण, स्वास्थ्य, शहर, परिवार  
और सुखद भविष्य के लिए!!

ITL CANDYFLOSS celebrated Van Mahotsav - with little hands planting little seeds which would grow into Big Beautiful Trees.

The motto of the day was "Give a new life today, get a greener & better life, tomorrow."

Through this, the concept of reduce, reuse and recycle of kitchen waste was also practiced with students as they used their consumed mangoes' seeds for planting in earthen pots.
