

ITL CANDYFLOSS

Cleanliness Campaign Report

Session 2021-22

Day/Date: Monday, 9th August 2021- Wednesday, 11th August 2021

To increase awareness amongst our students about the Importance of Cleanliness for a healthy body, hygienic surroundings and continue contributing to the “Swachh Bharat Abhiyan” launched by India’s Prime Minister “Mr. Narendra Modi” for achievement of sanitation & waste management coverage throughout India; we at ITL Candyfloss conducted a “Cleanliness Campaign” from Monday, 9th - Wednesday, 11th August 2021. Students expressed their imaginations and thoughts through vibrant posters and Nukkad Natak. They also took Pledges to keep themselves, their homes and surroundings clean and made an All Purpose Cleaner, to optimise the Cleanliness cause. Our mission of imbibing principles of good health & hygiene in our little ones was accomplished.
