Raksha Bandhan Report

Session 2021-22

Day/Date: Thursday, 19th August 2021

Raksha Bandhan - the much-awaited Indian festival which unites all Indians and signifies the strength of Rakhi's thread-the sacred bond between brother and sister, was commemorated by ITL CANDYFLOSS, DWARKA on 19th August'21. To make this day memorable, Rakhi making activity was conducted wherein students made their own rakhis with full enthusiasm to glorify our Indian culture. They also expressed their relationship & bonding with their siblings. Furthermore, the Mythological story of Rani Karnavati and Humayun was presented to let our tiny tots infer the importance and relevance of love, trust and protection for siblings. There was an ambience of happiness, love and joy amongst everyone present in the celebration.
